निवेदन का विवरण :
I am living in B161 lane 4 ekata vihar dehradun.
we are suffering from a big problem.
govt constructed TROUGH i.e. naali in back of every house but some households specially harspati gairola has covered
included that trough i.e. naali in his household boundary and has closed its route permanently which has resulted in
blocked passage of sewage water.
we are in deep trouble as the foul smell of sewage is unbearable and has posed serious health problems too all the
households

निवारण के लिए सुझाव :

Please take a strick action agiest these household and open the route of TROUGH (naali).
